

**NOTIFICATION UNDER ARTICLE 12.1(C) OF THE
AGREEMENT ON SAFEGUARDS
(EXTENSION OF THE EXISTING MEASURE)**

INDONESIA

(Porcelain and non-porcelain ceramic tableware)

The following communication, dated 2 February 2009, is being circulated at the request of the Delegation of Indonesia.

Pursuant to Article 12.1(a) of the Agreement on Safeguards, Indonesia has notified the initiation of review of safeguard investigation on imports on ceramic tableware. A public notice was placed in the Indonesian newspaper (Business Indonesia) on 5 June 2008. The product is classified under HS code number 6911.10.00.00; 6911.90.00.00 and 6912.00.00.00.

Based on the result of this investigation the Indonesian Safeguard Committee (KPPi) found that increased import of ceramic tableware still had caused serious injury to the domestic industry and the continuation of these measures is still necessary to allow for the remedial effect to take hold and to prevent further injury.

Pursuant to Art. 12.1(c) of the Agreement on Safeguards, Indonesia wishes to notify the imposing of a definitive safeguard measure on import of ceramic tableware.

Indonesia also notifies the list of developing countries exempted from the measure pursuant to Art. 9.1 of the Agreement on Safeguards.

It is requested that this notification under Art. 12.1(c) of the Agreement on Safeguards be brought to the notice of Members.
